

PHONE SCRIPT

Hi _____ . This is _____ .

I'm calling because I'm earning money for my Girl Scout troop. My goal is to sell _____ (e.g., 15) Ultimate Magazine Gift Cards in 59 minutes! The magazine gift cards are only \$20 and are good towards over 600 different magazines like People, Cooking Light and Sports Illustrated. You can buy your \$20 magazine gift card from me today and choose the magazine you want later or give it as a gift.

How many \$20 gift cards would you like to buy?

YES

Great! Thank you so much! Just so you know, you can be an MVP by purchasing an MVP Pack of three \$20 vouchers for \$60. Can you support me to that level?

I'll now text you a payment link to pay for your Ultimate Magazine Gift Card(s). Is this the best number to text to?

Thank you so much for supporting me and my Girl Scout troop!

NO

I understand. Would you by chance be interested in purchasing a \$25 magazine gift card to donate to a military family?

If **Yes**, I'll now text you a payment link to pay for your USO Gift Card(s). Is this the best number to text to?

IF STILL NO

Thank you anyway. Have a great day!
