- “Preview and Publish Your Site”
Digital Cookie®

**Step 1> My Sales Target**

1. Girl Scouts enter how many boxes of cookies they are working to sell this year through online and offline sales.
2. When the information is entered, the calculator will show how much money the troop will get from her hard work.
3. Clicking on “Rewards” will take you to your council’s rewards tab (if available) to see what rewards the girl might want to work towards.
4. Girls can enter any offline packages they have sold so their customers will see their total sales, not just their digital sales.

Don’t forget to save your goal before moving on.

**Step 2a> Her Cookie Story**

1. Girl Scouts tell their customers about a troop goal and why it’s important.
2. Girl Scouts share what they’ve learned from the cookie program.
3. Save their story. They can make edits to it at any time.
Step 2b>Photo/Video Upload

1. Girls can choose to upload a photo of themselves or use a picture from the gallery.
   OR
2. Girls can upload a video of themselves or use the “Cookie Boss” video.
3. Bonus! Girls can get tips on how to make a great video.

Step 3a>See Your Cookie Site and Publish

Almost there! Simply click the button to see how the site appears to customers and publish it.

If your button only says “see your site” you may be missing some required fields, or didn’t make any changes. Go back and check that everything has been completed.
Step 3b>Preview Her Site and Approve

You will see what the customer will see. Some things to check:

- Is the spelling and grammar correct and does it tell a story?
- Make sure the photo or video are displaying correctly.
- Are the goals accurate?
- If you need to change anything, click Edit and make changes, then go back to Step 2a.
- If it looks good, approve and publish it.

Your Girl Scout’s cookie store now has its own website! If your council’s digital cookie sale hasn’t started, the link will not be active yet.
