Background & Qualifying Criteria:
The Kiwanis Club of Gainesville Foundation, Inc. is pleased to be able to offer at least one four year scholarship to an individual who meets the criteria listed below. The scholarship is funded primarily through the generosity of a gift from Anne Laird Spain and Frank O. Spain. Mr. Spain was a past president of the Kiwanis Club of Gainesville and a long time supporter of Girl Scouting both before and after serving on the Board of Directors of the Girl Scouts of Gateway Council which includes the Gainesville Service Center. The Kiwanis Club and the Girl Scouts of Gateway Council owe much gratitude to both Mr. and Mrs. Spain for their countless hours of assistance.
The criteria for eligibility of award are as follows:

A- Must permanently reside in the geographic boundaries served by the Girl Scout Gateway Council (16 county) region

B- Must be a Girl Scout who has distinguished herself as superior in Girl Scouts by attaining the Girl Scout “Gold Award”

C- Must be of high moral character

D- Must maintain high academic standards

E- Must have been admitted as a freshman or junior transfer to the University of Florida and plan to attend as a full-time student in order to pursue a course of study leading to an undergraduate degree.

Additionally, the financial background and circumstances of the applicant may be considered.

A scholarship award shall continue for up to four academic school years (unless the student is a junior transfer), and be awarded in the fall and spring semesters, unless the Foundation, in its discretion, decides otherwise for good cause shown.

Continued award of the scholarship for succeeding years until an undergraduate degree has been earned or four years has elapsed (whichever is shorter) is conditioned upon a recipient being registered as a full-time student, satisfactory attendance and maintenance of a minimum grade point level as determined by the Foundation.

The amount of the award for this four year period shall be $1000.00 for each year.

A scholarship award is in the sole and absolute discretion of the Foundation, and the Foundation reserves the right to not make an award in any particular year; however, once a recipient is chosen, that scholarship award shall continue unless the recipient does not meet the standards for continued award as determined by Foundation (and as described above).
