Getting Started!

Using the Guide

In the guide, you'll find information about programs designed for girls, families, and adults. We offer opportunities across North Florida, from Jacksonville to Pensacola and everywhere in between!

Let girls take the lead! Help her find the experiences that are just right for her.

Once you pick the programs she wants to attend, register online at girlscouts-gateway.org/events.

Remember: Girl Scouts is about progression! If your Junior Girl Scout sees a program she'd love but it's only available to Seniors and Ambassadors, remind her that if she sticks with Girl Scouting, she'll be able to do that program soon — and more!

Girls can attend events as a troop, on their own, or with their whole family. You'll see which events are open to different groups throughout the guide.

Important Note: You must register for events to attend, unless otherwise noted. If you need assistance with the registration process, call us at (877) 764-5237.
