A Message From Our CEO

Dear Girl Scouts,

For many of us, 2020 has been a year like we have never experienced before. We have faced new challenges as girls, parents, volunteers, leaders and educators that have led us to redefine parts of the Girl Scouting experience in a way we never could have predicted. While some may have viewed the trials of this year as roadblocks, we saw them as opportunities to explore new and exciting ways for our troops to experience all that Girl Scouts has to offer. We introduced new virtual programming, reimagined summer camp to offer innovative online opportunities and hosted virtual award ceremonies – all to ensure that our ability to provide girls with the educational, fun programming they deserve was uninterrupted.

At GSGC, we are extremely proud of the work our council has done while navigating this unprecedented chapter in our lives. Rather than remain stagnant and wait for the storm to pass, we came together and designed an all new Girl Scout experience that allows us to keep moving forward. In this program guide, you'll discover several new STEM programs, virtual experiences and outdoor activities designed to allow girls to stay safely distanced. As I look ahead to the 2020-21 year, I am excited to share in this new chapter with all of you, and I know this will be our best year yet.

Yours in Girl Scouting,

A handwritten signature in black ink that reads "Mary Anne Jacobs". The signature is written in a cursive, flowing style.

Mary Anne Jacobs
CEO, Girl Scouts of Gateway Council

Getting Started

Using the Guide

In here you'll find information about programs designed for girls, families and adults. We offer opportunities across North Florida, from Jacksonville to Pensacola and everywhere in between!

Let girls take the lead! Help them find the experiences that are just right for them.

Download the guide and share it with parents and guardians!

Register for events at girlscouts-gateway.org/events. You can see more details about all the events, programs and training opportunities, then sign up!

Important note: You must register for events to attend, unless otherwise noted. If you need assistance with the registration process, call us at (877) 764-5237.

Attend events and programs! Girls can attend events as a troop, on their own, with parents and with their whole families. You'll see which events are open to different groups throughout the guide.

Remember: Girl Scouts is about progression! If your Junior sees a program she'd love but it's only available to Seniors and Ambassadors, remind her that if she sticks with Girl Scouting, she'll be able to do that program eventually — and then some!

We're excited to offer experiences and opportunities across North Florida, with support staff in every community. When you need help with something or want to share some feedback, just email us at customercare@girlscouts-gateway.org or call **(877) 764-5237**.

Girl Programs

Get ready! These next pages are packed with exciting activities for girls of all ages to enjoy this fall!

Explore nature and connect with the world around you, start a robotics team, swim with marine life, learn computer coding, create an artistic masterpiece — Girl Scouts can do anything! Now with opportunities to try new things and build leadership skills both in person and virtually, we're providing even more ways for girls to find their adventure.

Come along for the fun!

Girl Scout Daisies sparkle with that “first time” newness in everything they do. They go on trips, learn about nature and science, explore the arts and their communities and so much more. Girl Scout Daisies can also earn Learning Petals and receive participation patches.

What are they up to in Girl Scouts?

- Learn the Girl Scout Promise + Law
- Earn petals, badges and Journey awards

What are they like?

- Lots of energy!
- Beginning to understand basic number concepts
- Just learning to write and spell

Girl Scout Juniors are big-idea thinkers. They're explorers at camp and product designers when they earn their Innovation and Storytelling badges, or their Bronze Award. Every day, they wake up ready to play a new role.

What are they up to in Girl Scouts?

- Earn badges and Journey awards
- Can earn the Bronze Award
- Start to be seen as role models for younger girl scouts

What are they like?

- Want to make decisions and express opinions
- Are aware of expectations and sensitive to the judgments of others
- Social and enjoy doing things in groups

Zumba Kids Live!

Girl Scout Ambassadors know that small acts create big change. While they get ready for life beyond high school, Girl Scouts helps them take flight. They also earn the Gold Award - which adds something "extra" to college applications!

What are they up to in Girl Scouts?

- Earn badges and Journey awards
- Can earn the Gold Award
- Can be a Program Aide

What are they like?

- Can see complexity of situations and controversial issues
- Enjoy expressing their individuality
- Feel they have more responsibilities & pressures

Program Descriptions

3D Designing with Shiva Robotics

Sept. 8, Sept. 22, Oct. 6, Oct. 20, Nov. 10, Nov. 24

Online

\$40/Girl Scout

Girls will learn to do 3D Modeling using a web-based application. Through the use of this learning tool, they will be able to go from mind to design in minutes. The skills they will be learning are directly connected to innovative careers such as building, architecture, animation, engineering, industrial design, and more. They'll earn their Designing Robots badge along the way!

All About Sharks

Oct. 3

St. Augustine Aquarium, St. Augustine

\$15/girl, \$15/participating adult, \$8/non-participating adult

Learn everything you want to know about sharks! From what they eat and where they live in the ocean, to their anatomy and measure them, you'll find out lots of new information about our toothy friends. After you've learned all about sharks, you'll get up close with them as you feed and touch them! You'll also dig for shark teeth, complete a shark craft, and then learn why sharks are critical to keep the ocean balanced and healthy.

aMUSE Journey in a Day

Nov. 14

Tallahassee Museum

\$30/Girl Scout, \$8/adult

Visit the Tallahassee Museum to earn the Junior aMuse Journey! Girl Scouts will learn about the different roles available for women and girls, learn about stereotypes and how to break them, make a delicious snack, and celebrate themselves!

Animal Habitat Workshop with Challenge Island

Oct. 11

Location TBD

\$30/Girl Scout

Take a safari ride to see African animals living in their natural habitats. Along the way, learn about animals' surroundings and how they adapt. There are no roads where we are going so be sure to buckle up – it's going to be a twisty, turny, bumpy ride!

Automotive Design with Gator Motorsports

Oct. 24

Online

\$15/Girl Scout

Be the first to earn the brand new Automotive Design badge! Gator Motorsports is a student design team at the University of Florida that designs, manufactures and races a small-scale Formula 1-style race car each year against 120 international teams. This program will focus on the design stages of the car's development, overviews of the 10 systems on the car, showing off the current designs for this year's new car, and hosting interactive activities to allow you to design your own components for the car!

\$5/Girl Scout

A good credit score is important and not just so that you can get a loan or credit card. Join First Florida Credit Union as we break down what a credit score is, how it is calculated, and how it can impact your financial future!

Breathe Journey in a Day

C 

Dec. 5

Tallahassee Museum

\$30/Girl Scout, \$8/adult

Cadettes will earn their Breathe Journey Award after learning about the five senses, taking time for themselves, and the importance of clean air.

Brownie Bop Dance Workshop

B  

Oct. 21-23

Online

\$25/Girl Scout

Learn about different dance traditions and how to create and perform your own new dance! You'll learn some new moves and get performance tips from a dancer/choreographer and earn your Dancer badge along the way! This is a three-day workshop: On the first day, you'll learn a warm-up and a dance, on the second you'll begin choreographing your own dance and get tips on performance, and on the third you'll perform your original dance!

Building a Budget with First Florida Credit Union

CSA  

Sept. 3, Oct. 1

Online

\$5/Girl Scout

Do you budget your money? Have you ever thought about it? A budget is key to financial success, ensuring

you can manage your spending and maximize your savings. Join First Florida Credit Union as we explore the 50/30/20 Budgeting Rule.

Coding Animations with Shiva Robotics

JC  

Sept. 7, Sept. 21, Oct. 5, Oct. 19, Nov. 2, Nov. 16

Online

\$40/Girl Scout

Girls will earn their Coding Basics badge as they learn to digitally generate animated images and create both static scenes and dynamic images. Girl Scouts design characters that can talk, move and interact, using programming blocks.

Coding for Good with Kids Can Code: App Development

J 

Nov. 7

Location TBD

\$25/Girl Scout

Earn your third Coding for Good badge using the Vidcode platform. Girls should bring their own devices with the app Kodable to learn how to write and manipulate a block-based coding language. Girls will complete the following project: Use the Kodable program to develop a mobile ordering app. Girls will practice coding in a fun and laid-back learning environment that will allow the ability to explore and expand on coding capabilities!

Badge program

Patch program

Virtual program

Program Descriptions

As part of the training, Cadettes will incorporate their newly acquired skills for working with younger Girl Scouts during programs and events, your Daisy Girl Scout will help them earn the final requirement of their training by participating in activities, playing outdoor games, singing songs around the campfire circle, taking a hike and even doing a cool science experiment! The fun will start and end with a ceremony and is perfect to attend on your own or with your Girl Scout Daisy troop. We hope to see you there!

Digital Photographer with Microsoft

Sept. 24

Online

\$5/Girl Scout

Girl Scout Juniors, earn your Digital Photography badge with the experts at Microsoft! It seems like almost every gadget can take a digital photograph, from phones to laptops to, of course, digital cameras. But do you know how to get the most out of your digital device, and what it takes to capture a winning photo? You will if you earn this badge! Get hands-on experience with the latest technology from Microsoft as you discover the versatility of computers, photography and more.

Exploring Embroidery

Sept. 26

Online

\$35/Girl Scout

Come learn the basics of embroidery! Girls will find out the ins and outs of this fun hobby, and learn three different basic stitches that will help you get started in a new art medium. Girl Scout Seniors will work toward their Textile Artist badge during this program.

Film 101: How to Use Video to Tell a Story

CSA

Oct. 10

Location TBD (Pensacola)

\$55/Girl Scout, \$140 for all three film workshops
Whether it's a 30-second commercial, film, TV show,

brand video, or just your home movies, film and video production is important! This class will be an intro to production and how it can change the world. We will also discuss the basics of video production that you'll need to know if you want to pursue this as a career.

Film 101: Lighting Basics

CSA

Oct. 17

Location TBD (Pensacola)

\$55/Girl Scout, \$140 for all three film workshops
Your camera responds to light. It needs light to create the images you desire. This class will dig into some basic lighting techniques for cinematography, as well as tools and tips to get your videos looking better right away. Our approach to lighting will be simple without getting too caught up on the technical side.

Film 101: Camera Basics

CSA

Oct. 24

Location TBD (Pensacola)

\$55/Girl Scout, \$140 for all three film workshops
So you have a camera and you're ready to shoot video! Now what? This class will help those who are wanting to shoot video with a DSLR or mirrorless camera for the first time. We will introduce beginner concepts and techniques and discuss a few higher level concepts without intimidating first-time cinematographers. Our approach to shooting will be simple without getting too caught up on the technical side. We will have an opportunity to answer some higher level questions. We want you to leave this class a better cinematographer than you came in.

an allergic reaction, and how to make the school environment safer for children with food allergies. The webinar features group discussions and fun learning activities.

Game Development with Shiva Robotics

Sept. 11, Sept. 25, Oct. 9, Oct. 23, Nov. 13

Online

\$40/Girl Scout

This coding with simulators workshop brings technology and computer science to life with hands-on, project-based learning using the robotic kit simulator. Girl Scouts can use easy drag-and-drop block coding, or JavaScript text programming from a browser to make their creation escape from a maze, detect different colored objects, or turn into a musical instrument. Along the way, they'll earn their Coding for Good: Game Design badge!

Girl Scouts are Mars-Bound!

Oct. 22

Online

\$12/Girl Scout, \$12/non-Girl Scout youth

Make a plan to get to Mars! Girls will learn systems engineering by engaging in a mission planning simulation that mirrors a mission to Mars. They will create a mission that has to balance the return of science data with mission limitations such as power, mass and budget. In this advanced and exciting activity, girl scouts of all ages will become NASA project managers and have the opportunity to plan their own NASA mission. Risk factors play a role and will add to the excitement in this interactive mission planning activity.

Girl Scouts Founder's Day Spooktacular

Oct. 31

Camp Kugelman

\$12/Girl Scout, \$4/adult

Join us for Founder's Day 2020 as we celebrate all

things Girl Scouts! We will have SWAPS, s'mores, pumpkin painting, games and more — plus trick-or-treating at each station. Don't miss this time-honored tradition of celebrating Juliette Gordon Low and Founder's Day!

Girl Scouts Love State Parks

Sept. 10

Online

\$5/Girl Scout

Gateway Girl Scouts love the outdoors, especially our state parks! We have partnered with Florida State Parks for a fun virtual experience to dive into all that makes our favorite parks from Northeast Florida through the Panhandle unique and special! Join in the Florida State Park Challenge and visit a park from this program during the weekend of Sept. 12 with your family! You'll be part of the nationwide movement of Girl Scouts celebrating state parks everywhere and earn your Girl Scouts Love State Parks 2020 patch!

Girl Scouts Wildlife Adventure

Oct. 3

North Florida Wildlife Center, Lamont

\$10/Girl Scout, \$7/adult

Visit the North Florida Wildlife Center for a private tour and get up close with kangaroos, lemurs and other exotic wildlife! You won't want to miss this fun-filled animal adventure.

Girl Scouts Wildlife Adventure

Oct. 10

North Florida Wildlife Center, Lamont

\$10/Girl Scout, \$7/adult

Visit the North Florida Wildlife Center for a private tour and get up close with kangaroos, lemurs and other exotic wildlife! Girl Scouts will earn their level-specific animal badge during this adventure as you learn about animal habitats and how you can be a voice for the animals.

Gold Award Bootcamp

SA 

Sept. 5, Nov. 7

Online

FREE

This Highest Awards training is highly recommended for girls interested in pursuing the Girl Scout Gold Award. You'll get tools to develop your plan as you learn about the components of Highest Awards. Along the way, learn how to choose a project adviser, what is active leadership and how to build sustainability. Bring your thinking cap!

This workshop is designed for girls, but parents, GPMs, TAs and project advisers may register as well.

GSGC Celebrates Women's Suffrage

JCSA 

Sept. 4

Online

FREE

Meet some unsung heroes of the women's suffrage movement with Reagan and Taylor, the hosts of Babetown, a podcast all about extraordinary women! You'll get the chance to participate in this live podcast recording with a Q&A, and test your new knowledge in a game of trivia!

Guided Aquarium and "Living Dock" Tour

J 

Nov. 14

Gulf Specimen Marine Lab, Panacea

\$19/Girl Scout, \$16/adult

Join the staff of Gulf Specimen Marine Lab for a guided tour of the aquarium with touch tanks full of hermit crabs, sea stars, snails, sponges, horseshoe crabs and more! Get up close and hands-on with the local marine life, and check out feeding demos with sharks, stingrays, sea turtles and octopi. Take a short walk with your guide to the "Living Dock" to dipnet for jellyfish and see what's in the crab traps and living on the stringers and in the liftnet — it's always a surprise!

Guided Aquarium, "Living Dock" & Marsh Seining Tour

CSA 

Gulf Specimen Marine Lab, Panacea

\$28/Girl Scout, \$25/adult

Join the staff of Gulf Specimen Marine Lab for a guided tour of the aquarium with touch tanks full of hermit crabs, sea stars, snails, sponges, horseshoe crabs and more! Get up close and hands-on with the local marine life, and check out feeding demos with sharks, stingrays, sea turtles and octopi. Take a short walk with your guide to the "Living Dock" to dipnet for jellyfish and see what's in the crab traps and living on the stringers and in the lift net. You'll pack up your seines and boots continue out to the nearby salt marsh to pull the net and see what critters we will bring in — it's always a surprise!

Guided Aquarium & Touch Tank Tour

Highest Awards Q&A: Money Earning & Money Matters

JCSA 

Nov. 1

Online

FREE

Join our monthly webinar for Girl Scouts and mentors to learn more about the Bronze, Silver and Gold Awards. Each month, we'll focus on a different topic! This month: What do you need to know about money earning? You'll learn about the Girl Scout fundraising dos and don'ts for girls and troops of all levels and get ideas for project budgeting and record keeping

JAVA Programming with Shiva Robotics

CSA  

Sept. 9, Sept. 23, Oct. 7, Oct. 21, Nov. 11

Online

\$40/Girl Scout

JAVA is a general purpose programming language. As they earn their Programming Robots badge, girls will learn the basics of JAVA programming, including hands-on programming experience using values, operators, expressions, statements and basic data types.

Junior Jam Songwriting Workshop

JC   

Sept. 11 AND Sept. 18

Online

\$25/Girl Scout

Learn more about music, then create and perform a song of your own! This virtual workshop consists of two sessions: the first to learn more about music and songwriting, the second to share the music you've created. You'll be able to share your progress and get feedback in between sessions via Class Dojo.

Knowing Your R's

BJ  

Sept. 18

Online

\$11/Girl Scout

Reduce, reuse, and recycle are just a few of the R's most of us are familiar with. In this fun, interactive and insightful lesson, we will discover some other R's that will help to make our Earth a cleaner and happier planet! You will earn your Eco Friend or Eco Camper badge.

Let's Build a Garden with Wings, Worms, and Wonder

J  

September, October, November

Online

\$20/Girl Scout

Girl Scouts will discover how to build their own raised garden bed — from imagining their vision, to building the actual bed, planting it, and then finally caring for the garden and harvesting! Juniors will earn their Gardener badge. This self-paced workshop program is housed on an online classroom platform designed specifically for this badge with all project instructions, resources, inspiration, and additional fun nature inspired activities and resources.

Making Games Workshop with Challenge Island

DBJ  

Sept. 20

Online

\$30/Girl Scout

Join our friends at Challenge Island to invent a new arcade game and design a putt-putt golf course, then play your game with your friends! Girl Scout Brownies will earn your Making Games badge, too!

Manatee Observation Kayak Tour

J 

Oct. 12

TnT Hideaway, Crawfordville

\$48/Girl Scout, \$45/adult

Paddle the Wakulla River with a professional guide for a 3-mile trip to observe the manatees and other wildlife that call the river their home. You might also see otters, turtles, alligators, many different birds and more! This guided tour is sure to be an adventure!

D *Daisies, Grades K-1*

Oct. 24

St. Augustine Aquarium, St. Augustine

\$12/Girl Scout, \$10/adult

Join the marine biologists at the St. Augustine Aquarium to go behind the scenes and spend a day in their shoes — or flippers! Learn about what marine biologists do, what they studied in school and what they learn about life in the water. You are sure to leave with a whole new view of the ocean!

Marketing with Challenge Island

C 

Nov. 15

Location TBD

\$30/Girl Scout

Girl Scout Cadettes will earn your Marketing badge when you design a putt putt golf course, establish and

market your brand — and erupt a volcano to launch your campaign!

Mermaid, Protector of our Seas Adventure

DBJ 

Oct. 12

Sea Life Discovery Center, Santa Rosa Beach

\$27/Girl Scout, \$25/adult

During this exciting, hands-on experience, Girl Scouts will learn all about manatees, dolphins and sea turtles. Get up close with tank animals and get creative as you make art from sea trash.

One Day On Horseback

CSA 

Oct. 11, Oct. 25

Moccasin Stables, Tallahassee

\$50/Girl Scout

Learn all about horses, from how to care for them to how to ride! Join our friends at Moccasin Stables to find out about the basics of horsemanship: grooming, tack and equipment, parts of the horse and feeding with the stable manager. Then you'll learn some basic riding skills, like walk, trot and canter.

Outdoor Adventure Day

JC

Nov. 21

Tree to Tree Adventures, Tallahassee

\$57/girl, \$37/participating adult, \$7/non-participating adult

Juniors and Cadettes will participate in Tree to Tree Adventures, Canopy Crossing. Enjoy nature and parts of the museum while walking 20 feet about the ground. Also included in the course are 14-18 treetop challenges and two ziplines. Pack a lunch to enjoy with your Girl Scout sisters in the Tallahassee Museum and then meet up again for archery with a certified instructor! You will have an amazing day of team building and spending time outdoors!

Outdoor Art Apprentice with Wings, Worms, and Wonder

September, October, November

Online

\$15/Girl Scout

Learn to look and to really see nature. Girl Scouts will explore how to find creative inspiration by connecting with nature and learn to see and hear “nature’s whispers” — the little overlooked bits of natural wonder in our everyday life that get ignored in the hustle and bustle. Then, they can use that connection and inspiration to make art and earn their Outdoor Art Apprentice badge. This self-paced workshop program is housed on an online classroom platform designed specifically for this badge with all project instructions, resources, inspiration, and additional fun nature inspired activities and resources.

Outdoor Art Creation with Wings, Worms, and Wonder

September, October, November

Online

\$15/Girl Scout

Let nature be your muse! Girl Scouts will explore how to find personal peace and creative inspiration by slowing their minds and bodies to see and hear “nature’s whispers.” We will take a “photo walk,” and learn how and why photo walks are a great way to use technology to engage with nature. Girl Scouts will discover how to create and design their own nature photo prompt card deck using their nature walk photos and how to use their photos in a nature journal. We will discuss nature as inspiration for a multitude of other creative endeavors including collage, poetry, cooking, dance, and music. This program is self-paced and includes access to an online platform designed specifically for this badge with all project instructions, a photo walk seek and find photography game, a nature prompt card deck making activity, and additional fun nature inspired activities and resources.

Outdoor Art Explorers with Wings, Worms, and Wonder

September, October, November

Online

\$15/Girl Scout

Let nature be your muse! In this workshop, Girl Scouts explore how to find creative inspiration by connecting with nature and then use that connection and inspiration to make art. In the process, girls will earn their Outdoor Art Explorer badge! This self-paced workshop program is housed on an online classroom platform designed specifically for this badge with all project instructions, resources, inspiration, and additional fun nature inspired activities and resources.

Outdoor Art Maker with Wings, Worms, and Wonder

September, October, November

Online

\$15/Girl Scout

Daisies will receive instructions to make a color wheel, go out into nature for a guided sensory observation, and to match nature’s colors to their color wheel. Their nature items will then be used to make an ephemeral nature collage! Girl Scouts will explore how to see nature as art, share the colors of nature collages made prior to the workshop, and ponder ideas on how to leave joyful ephemeral nature art gifts for our communities in natural areas. This program is self-paced and includes access to an online platform designed specifically for this badge with all project instructions, a sensory observation recording, and additional fun nature inspired activities and resources.

Outdoor Art Masters with Wings, Worms, and Wonder

September, October, November

Online

\$15/Girl Scout

Let nature the beauty of nature inspire your creativity! Girl Scouts explore how to find creative inspiration by

This self-paced workshop program is housed on an online classroom platform designed specifically for this badge with all project instructions, resources, inspiration, and additional fun nature inspired activities and resources.

Painting Nature with Wings, Worms, and Wonder

September, October, November

Online

\$15/Girl Scout

Let's paint our natural world! Girl Scouts will receive materials to experience a guided nature journaling class by discovering what a nature journal is and why it is a great idea. They will learn, step-by-step, how to draw and add color to some common items from nature. They will discover journal compositional elements and how to relay a mood with color. Additionally, girls will brainstorm creative ways to paint murals with alternative brushes made from nature items onto large paper or old sheets/shower curtains that can be hung and or painted at festivals and camp outs. This program is self-paced and includes access to an online platform designed specifically for this badge with all project instructions, a nature observation exercise, and additional fun nature inspired activities and resources. Cost: \$15/girl

Python Programming with Shiva Robotics

Sept. 12, Sept. 26, Oct. 10, Oct. 24, Nov. 21

Online

\$40/Girl Scout

Python is a general purpose computer programming language and is becoming ever popular for data science. Girl Scouts will learn to create variables, get familiar with basic data types. Girls will tackle a fun or

challenging problem with innovative coding to earn their Programming Robots badge.

Ready to Ride

Nov. 8, Nov. 22

Moccasin Stables, Tallahassee

\$50/Girl Scout

Learn all about horses, from how to care for them to how to ride as you work toward your Junior Horseback Riding badge! Join our friends at Moccasin Stables to find out about the basics of horsemanship: grooming, tack and equipment, parts of the horse and feeding with the stable manager. Then you'll learn some basic riding skills, like walk, trot and canter.

River Explorer with the St. Johns Riverkeeper

Sept. 26

Online

\$23/Girl Scout

Become a River Explorer as you learn about the St. Johns River ecosystem. Girl Scouts will participate in a mini-ecosystem lesson and discover the importance of a healthy food chain to visually understand that you are what you eat. Dissect owl pellets to get really hands-on, and discuss river issues and how humans can positively and negatively impact the health of the ecosystem. Cost includes supplies; a box will be mailed to participants prior to the program.

Robotic Engineer

Oct. 10

Emerald Coast Science Center, Fort Walton Beach
\$20/girl, \$7/participating adult, \$4/non-participating adult

What's a robot and how can we program them to do our work for us? Get your wheels turning while you learn to program, play, and problem solve with our resident robot collection! You will earn your Think Like A Programmer badge.

Robotics Team with Kids Can Code

September-February

\$500/Girl Scout (option for monthly payments)

Coding is the new team sport for future tech leaders and innovators! Starting in September, Girl Scouts will have the opportunity to design real-world science and technology solutions to collaborative problem-solving challenges for Dash, Dot & Cue robots. Working in teams of five, girls will develop critical thinking and creativity skills, learn about issues facing the world around them, and build meaningful relationship with their peers. Open to Daisies, Brownies, Juniors, and Cadettes ages 6-14. No experience needed! Teams will meet every Tuesday beginning Sept. 1. Meetings will begin virtually until teams can safely meet in person, based on COVID-19 recommendations. Robots may be loaned out as needed. Participants must have a Bluetooth device. Participation fee may be paid at once or in five equal monthly payments.

The Science of Happiness

Oct. 16

Online

\$5/Girl Scout

Learn more about happiness, and plan a happiness experiment to improve your life! You'll earn your

Science of Happiness badge.

Shark Attack Adventure

Oct. 12

Sea Life Discovery Center, Santa Rosa Beach
\$27/Girl Scout, \$25/adult

This fun and educational lab program includes shark identification, shark liver lab, shark attack project, predator/prey lab and tagging shark program.

She and Me Zumba

Sept. 30, Oct. 7

Online

\$12/Girl Scout, \$2/adult

This is a Zumba class designed for kids, with some added elements for their special adults! You will both dance along to specially choreographed latin and international rhythms, play games and engage in fun activities. This is a great way to spend some FUN and HEALTHY time together!

Sheldon's Sea Turtle Underwater Adventure

Oct. 4

Sea Life Discovery Center, Santa Rosa Beach
\$90/Girl Scout, \$90/adult

Have an exciting, hands-on, educational and fun snorkel experience as experts guide you through the water. Participants will learn about the cycles of sea turtles while studying their feeding habits and behaviors as you snorkel alongside these magnificent creatures. Participants will also snorkel in the grass beds learning about marine organisms that live in this same habitat.

S'more Laughs: An Intro to Stand-Up Comedy

You'll be able to share your progress and get feedback between sessions via Class Dojo.

Space Science

Nov. 20

Emerald Coast Science Center, Fort Walton Beach
\$20/girl, \$7/participating adult, \$4/non-participating adult

Launch into space! You will be transported to the stars with this state-of-the-art digital planetarium. You will travel to the sun, planets, and the moon, while learning about our solar system, constellations, and the myths, history, and modern technology that allows us to understand the space that surrounds us. You will also make and take home your own solar system necklace so you can always have a little space around you. A wonderfully educational and fun workshop that will leave you reaching for the stars! You will earn a Space badge.

Space Science Adventurer with MOSH VIRTUAL

Oct. 24

Online

\$15/Girl Scout

Whether you've searched for shooting stars or found shapes in the clouds, you've probably already spent some time looking at the sky. Now's your chance to see the sky in a new way with help from experts at MOSH!

Space Science Explorer with MOSH VIRTUAL

Sept. 26

Online

\$15/Girl Scout

Space scientists are people who study outer space — what's in the sky. Join MOSH to become a space scientist yourself by looking at the sky and talking about what we see!

Space Science Investigator with MOSH VIRTUAL

Nov. 21

Online

\$15/Girl Scout

Our solar system spreads out across space. It's much larger than you might think and the stars are even farther away than you can imagine. With the experts at MOSH, venture through the solar system and beyond, and discover that space is even bigger than you thought!

Surfing for Juniors & Cadettes

Oct. 3

Virtual program

Program Descriptions

Have you ever wanted to swim like a mermaid? Now you can with your Girl Scout sisters at the St. Augustine Aquarium! Put on a wet suit, snorkel and mask, and make a splash with more than 100 Florida reef fish and rays while you are in the tank! You will even get to take part in a super fun snorkel scavenger hunt.

Think Like a Citizen Scientist

CSA  

Sept. 23

Online

FREE

Think Like a Citizen Scientist Journey prepares girls to experiment, explore their environment, and push boundaries in healthy ways, all while learning how they can improve the world through STEM. Join Johnson & Johnson for a virtual citizen science project where you will:

- Hear from J&J staff about their jobs and career paths
- Observe and collect data about your surroundings as you work on activities from the Journey
- Participate in a citizen science project where you will record data about clouds for the GLOBE Observer: Clouds project from NASA
- Reflect on what you've learned and how to take action

Think Outside the Blackbox: An Introduction to Toy Theater

CSA

Nov. 6 AND Nov. 13

Online

\$20/Girl Scout

Be a director, performer, and designer, creating your own toy theater production! Toy theater is a form of puppetry that utilizes a miniature theater set to create a show. Also known as paper theater, it was popular in the 19th century, when people used toy theaters to entertain their families and friends at home. In this workshop, you'll learn about this theatrical tradition, design and build your own toy theater, and create and perform your very own show. You will earn the Senior Troupe Performer badge. This workshop will consist of two sessions: one to learn about toy theater and begin

design and construction, and one for performing your piece. In the week in between, you'll be able to share your progress and receive feedback via Class Dojo.

Triple Design Badge Workshop with Challenge Island

D  

Sept. 8, Sept. 22 and Sept. 29; Oct. 18

Online

\$23/Girl Scout

Join the experts from Challenge Island for afternoons filled with fun and creativity as you learn what engineers design and build. Daisies will work together to design and build model cars, roller coasters and board games. Come join in the fun and learn to think like an engineer! Daisies will earn their Model Car Design, Roller Coaster Design and Board Game badges. Girls will need to complete a Take Action Project on their own after the workshop to complete the Journey step.

Under the Sea

CSA 

Oct. 17

St. Augustine Aquarium, St. Augustine

\$33/girl, \$33/participating adult, \$10/non-participating adult

Check out life under water! Suit up and swim with Florida reef fish and your Girl Scout sisters at the St. Augustine Aquarium. You'll also participate in a fun snorkel scavenger hunt!

Welcome to the Flower Garden

D 

Oct. 10

Tallahassee Museum

\$30/Girl Scout, \$8/adult

Visit the Tallahassee Museum to learn all about the Girl Scout Promise as you explore the gardens and make a fun snack! Girls will earn the Welcome to the Flower Garden Journey.

- 2021 Cookie Involvement: Sell 350+ boxes of cookies

Step 1 - Visit the website

www.gsnutsandmags.com/gsgc

Follow the prompts to participate in the online Sweets & Treats program, enter orders, earn patches, and select rewards. Please have your troop number ready.

MY TROOP # _____

Step 2 - Create your personalized site

Create your personalized avatar, record your personalized voice message for your friends & family, and earn rewards as you complete the steps to create your personalized site for Sweets & Treats program.

Step 3 - Send emails

It's so easy to reach your goals with emails! Send emails to friends and family. They will see your goals, hear your personalized voice message be delivered by your personalized avatar through these emails, and will be able to click your link to order online. Don't forget to share your link with additional friends and family on social media with the help of a parent/guardian. *Please follow current GSUSA guidelines for online sales & marketing.

Sweets & Treats

Previously known as Fall Product Program, is sweeter than ever with new types of product, a personalized online experience, awesome rewards, and the sweetest mascots ever....meet our Sloths!

Mama Sloth
Savannah
& Baby Sloth
Lola

As an integral part of a Girl Scout's journey toward leadership, you'll be learning & developing five key skills: Goal Setting, Decision Making, Money Management, People Skills, Business Ethics. It's an easy & fun way to:

- **Earn startup funds** for your troop activities
 - Earn proceeds through each sale: 10% on all magazines sold & \$1 on each nut & chocolate item sold
 - Earn opt-out reward proceeds (*For Cadettes, Seniors, and Ambassadors*): 12% on all magazines sold & \$1.20 on each nut & chocolate item sold
- **Create a personalized avatar** that looks just like you!
- **Earn exciting rewards & personalized patches** that can be found on your order card

How To Participate

Girls may participate online individually or as a troop with no training necessary!

- **Order Card** by taking orders using the nut order card and collecting payments upfront prior to order placed or product placed
- **Online** by inviting friends & family to place an order through your personalized link and can choose to have nuts, chocolate, or magazine items shipped directly to them or can choose to have nuts and chocolate items girl-delivered

Important Dates

9.18.2020

- Program begins for both online & order card
- **ACTION NEEDED**: All money to be collected upfront from customers upon order being taken

10.18.2020

- Program ends for both online & order card, including direct ship nut & magazine orders
- Girl order entry deadline for ONLY entering order card orders AND Girl reward selection deadline

Jump-start your troop year with the VTK!

The Volunteer Toolkit (VTK) contains program and meeting plans for Daisy through Ambassador and multi-level troops! It takes the guesswork out of planning and prepping for your troop meetings and makes communication and staying organized seamless.

To get started, get to know the VTK! The Explore tab lets you either create your own year plan or choose from pre-selected tracks.

With the VTK, you can also:

- Access step-by-step activity guides for each troop meeting—so you'll know exactly what to say and do
 - Easily share troop meeting activities and updates with parents/caregivers for each meeting
 - Log girls' program achievements and milestones
 - Add events and your own troop activities
 - Find resources tailored just for you
- ... and so much more!

What volunteers are saying:

"I like that there are meeting plans and schedules to follow. I also like being able to keep track of the badges my girls earn. The 'my troop' feature that allows me to email all of the parents at once is great too—I use that a lot."

The screenshot shows the Girl Scouts of Northeast Texas website. The top navigation bar includes links for 'Join Events', 'Share Your Story', 'En Español', 'Careers', 'Shop', 'Forms', and 'Contact'. Below this is a search bar. The main navigation menu features 'ABOUT', 'OUR PROGRAMS', 'EVENTS', 'VOLUNTEER', 'CAMP', 'COOKIES', 'DONATE', and 'MY GS'. A secondary menu highlights 'MY TROOP', 'EXPLORE', 'YEAR PLAN', 'MEETING PLAN', and 'RESOURCES'. The 'Resources' section is active, showing a 'FROM YOUR COUNCIL' dropdown menu with options for 'Daisy', 'Brownie', 'Junior', 'Cadette', 'Senior', 'Ambassador', and 'Multi-level'. Under the 'Brownie' selection, there are links for 'Awards Log', 'Badge Chart', 'Global Action Days Toolkit', 'Badge Explorer', 'Badge & Journey Meeting Pl...', and 'Uniform Placement'. Below this, there are three main categories: 'TROOP LEADERSHIP' (Knowing Your Role & Worki...), 'FAMILY HUB' (Growth & Support for Your..., Family Tips & Volunteer Op..., Keep Parents & Caregivers I..., Raising Awesome Girls), and 'SAFETY' (Internet Safety Pledge). The bottom of the page features social media icons for Twitter, Facebook, Email, YouTube, Instagram, and Pinterest.
