# Getting Started

## Using the Guide:

*In here you'll find information about programs designed for girls, families and adults. We offer opportunities across North Florida, from Jacksonville to Pensacola and everywhere in between!*

**Let girls take the lead!** Help them find the experiences that are just right for them.

**Download the guide and share it with parents and guardians!**

**Register for events** at [girlscouts-gateway.org/events](https://girlscouts-gateway.org/events).

You can see more details about all the events, programs and training opportunities, then sign up! Important note: You must register for events to attend, unless otherwise noted.

If you need assistance with the registration process, call us at (877) 764-5237.

**Attend events and programs!** Girls can attend events as a troop, on their own, with parents and with their whole families. You'll see which events are open to different groups throughout the guide. Remember: Girl Scouts is about progression! If your Junior sees a program she'd love but it's only available to Seniors and Ambassadors, remind her that if she sticks with Girl Scouting, she'll be able to do that program eventually — and then some!

We're excited to offer experiences and opportunities across North Florida, with support staff in every community! When you need help with something or want to share some feedback, please email us at [customercare@girlscouts-gateway.org](mailto:customercare@girlscouts-gateway.org) or call (877) 764-5237.

Something sweet is coming this fall...
